

## BABY'S SUMMER REMEDY FREE

In a family where the children are still young few mothers experience the joy of passing a summer without the children becoming sick. As a rule the ailment is a trivial one, though it looks very serious. The trouble usually lies in the stomach or bowels, due to a summer cold or to unfit food, water or fruit—the hot-weather dangers. Before becoming alarmed, however, give the child a dose of **DR. CALDWELL'S SYRUP PEPSIN** when you put it to bed. The direction sheet that comes with each bottle will tell you the quantity to give, according to the age, and as the remedy is pleasant to take and does not gripe, the child will not refuse it. By morning it will be much improved, and in another day entirely well. That is the experience of thousands of mothers. Give it in **DR. CALDWELL'S SYRUP PEPSIN** constipation, biliousness, summer complaint, loss of appetite or sleep, sick headache, peevishness, etc. Do not give salts or purgative waters, tablets, pills or sleep-producing remedies that always contain narcotics, for these are unpleasant to take, gripe, and do only temporary good. **DR. CALDWELL'S SYRUP PEPSIN** is a vegetable compound, thoroughly tested in American homes for many years. Women, children and old people are among its staunchest friends. Your druggist will sell you a bottle at the small price of 50 cents or \$1.00.

Those who have never yet used **DR. CALDWELL'S SYRUP PEPSIN** and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "SUMMER BUGBUSTERS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is **Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.**

## WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's

Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—MRS. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.
